POSITION OPENINGS

The Illinois Association of Chiefs of Police "Position Openings" online is a comprehensive source of law enforcement and security vacancies within the State of Illinois. Its goal is to provide an opportunity for agencies within Illinois to recruit qualified candidates from Illinois and from across the country.

Advertising your job opening on this site will enable you to extend your police and security recruitment efforts beyond your community and the state in order to find the best qualified persons for your agency needs. Position Ads include information on job requirements and salary. Ads may include a direct link to your webpage (for an online application or additional information about your agency and/or benefits) and the e-mail address of your agency contact or recruiter.

Locations of Illinois communities are sorted into four regions: Southern Illinois, Central Illinois, Northern Illinois, and the Greater Chicago Area. Out of State postings are also accepted at a higher advertising rate.

To advertise a law enforcement position within Illinois, please submit this completed form to the email address below. Position Openings will be placed on the Illinois Association of Chiefs of Police (ILACP) homepage link within 72 hours of their receipt of payment in full, excluding weekends.

If your Position Description is already type-set for advertising purposes, please feel free to forward it electronically via Email to ckent@ilchiefs.org.
